EMERALD CODE

BEVAN Self-Tape Package

[[BEVAN](#)]FEMALE. 14 years. All Ethnicities. Bevan is super peppy and excitable! She's prone to emotional extremes, and everything is either the best thing in the world or the worst thing in the world. Or both at once. She loves to solve puzzles. She likes all kinds of games, but she's really into Virtual Reality and live escape rooms, and she's working on a game that takes place in an alternate version of her school that combines these two ideas... and it's amazing. Bevan loves languages, which is why the language of coding is such a natural fit for her. Bevan is fascinated with gymnastics. She goes to as many competitions as possible and tracks the moves of all the participants. She is sure that she can create a program that will help a gymnast perfect their vault take-off or layout landing if she shows them mathematically how it can be done. **N.B. – “Emerald Code” actively encourages performers who self-identify as physically challenged for the above role. RECURRING.**

Emerald Code Self Tape INSTRUCTIONS

If interested in auditioning, please send a SELF TAPE following the instructions below. *Don't forget anything or else we won't be able to consider your audition! **READ EVERYTHING CAREFULLY BEFORE ASKING US QUESTIONS.***

1. Frame the camera so we can see the performer from head to toe (full body shot). State full NAME, CITY, AGE, HEIGHT and AGENCY (if applicable).
2. Next, present the audition sides. These can be found at the end of this audition package. Frame your self in a medium shot (waist up) so we can clearly see your face. Have a reader stand beside the camera opposite you and use that person as your eye line. Do not look in the camera. Make sure to use a nice clear voice. Be sure to memorize the lines and feel free to tape the scene as many times as you'd like but only send us ONE take, the BEST take.
3. If you have musical abilities, please include a short video clip of yourself playing your instrument or singing in addition to the scenes when you send in your self tape package. If you sing, please send a clip of yourself singing an upbeat song that shows off range. A cappella is fine.

IMPORTANT: Make sure that the audition video is of good quality. The lighting and sound are key – we want to be able to clearly see and hear, so shoot the audition somewhere quiet and well lit (natural light is always great!). Look your best for the audition.

Send the link to your audition video, along with photo, resume and actor info sheet **ALL IN THE SAME EMAIL to:**

INT. ROWAT HIGH SCHOOL - MAKER SPACE - DAY

BEVAN (14, high-energy) bops into the room where Simone is hard at work.

START

BEVAN

Sorry, were you doing something? You have that Simone-stressed look where your hair gets all hilarious.

Simone peers into the monitor.

SIMONE

Yikes. No wonder Jackson disappeared.
(then, eager)
Tell me something fun. What's happening?

BEVAN

So we're the *best* best friends that ever existed, right?

SIMONE

Pretty close...Why, can we test it?

BEVAN

No, and also yes.

SIMONE

Bevan? Start again, but making sense.

BEVAN

This blog I love? Is looking for best friends to host a web series! How fun is that? We should do it!

SIMONE

But we've never hosted anything before. And what kind of web series?

Bevan pulls out her phone and scrolls, then reads:

BEVAN

"Send us an audition tape that shows us why you and your BFF are great to hang out with and totally real."
(to Simone)

All we have to do is be hilarious and fun to hang out with, right?

Simone considers this.

SIMONE

So...we tell each other jokes?

Bevan suddenly looks horrified...

BEVAN

Absolutely not. Because you? Always forget all the punchlines.

SIMONE

True. You could let me cut your hair on camera? Like a how-to on YouTube?

BEVAN

(aghast)

You take that back!

SIMONE

Pleeeeeeease?! It'd be so fun!

Bevan protectively pulls her hair over her shoulder.

BEVAN

No! Instead, I could give advice on how to keep your best friend from committing a hairstyling crime--

SIMONE

Friendship advice! Great idea...

She sits down facing the laptop and pulls Bevan down with her. Together, they address the camera, high-energy:

SIMONE (CONT'D)

Hi, I'm Simone, and she's Bevan -

BEVAN

And we're the hosts of...this show!
Today our topic is...

She looks at Simone for support, who picks it up -

SIMONE

What to do if your debate partner, disappears on you and class is in 10 minutes!

BEVAN

You mean Jackson! P.S., that broccoli filter he put on your face is rude.

SIMONE

Wait, you saw it?

BEVAN

He posted it everywhere. The whole gymnastic team cracked up!

SIMONE

What?!
(to camera)
JACKSON!

Bevan also addresses the camera:

BEVAN

Next episode: how to bail yourself
out when you totally just sold out
one of your friends to the other.
Oops! See you soon...!

She waves into the camera as the BELL RINGS.
