Your child MUST audition with a PARTNER (your child’s partner can be a sibling, a friend, family member, neighbor, etc., we just want to make sure they know each other and have a unique and fun relationship). All teams MUST BE BETWEEN THE AGES OF 8 – 11yrs old. (Both team members must have a parent or guardian who fills out and signs the forms)

If the above specs sound like your child, we’d love to see your child’s audition video!

Before you get your child to tape, parents please make sure to fill out the forms below.

Here’s what we need on your child’s audition tape: Each participant must do the following to camera (one right after the other):

1. SLATE: *Each person* state their name, age, height and location. *The frame should be wide enough that we can see everyone from head to toe.*

2. INTRODUCTION: *Your child talks about how they know their partner and what their relationship is to each other (and vice versa).*

EACH CHILD MUST ANSWER THE QUESTIONS BELOW:

Are they competitive? If yes, why?

What is their favorite craft?

What is their favorite thing to do after school?

What is their favorite thing to do with your friends?

We want to see each kid’s personality so make sure your child isn’t shy! Make sure your child speaks with a lot of energy but please keep their intro to no longer than about 2 minutes in total.

3. AUDITION: TOGETHER the team must get out their crafting supplies and create a craft that could potentially win them a crafting competition! This is a new show so have them come up with something fun and creative!

(NOTE: FOR THEIR CRAFT PLEASE DO NOT HAVE THEM MAKE SLIME. THEY CAN MAKE ANYTHING ELSE!)

Make sure they are not afraid to be silly and get their hands dirty! Have them TAKE CREATIVE RISKS and be imaginative! Please keep this section of their self-tape to around 3 minutes. *Be sure there is a lot of dialogue between the kids, and that they are having a lot of fun throughout this experience. Remember, them having fun is the most important thing!*

IMPORTANT TIPS FOR SELF- TAPES: *Be sure that the lighting is bright. Make sure that the sound quality is clear. It is very important that we can clearly see and hear your kids. If filming on a mobile device, make sure the orientation is in LANDSCAPE (hold the camera horizontally), not portrait.*

Parents, please send the **headshot/resume/forms (for both competitors) and one link** to the audition video in **ONE** email to kidscraftingcasting@gmail.com (audition videos should be sent via a link such as YouTube. **Please set the privacy settings so that the video is unlisted. Auditions must not be made public.**)
